TO OUR LEADING LADY

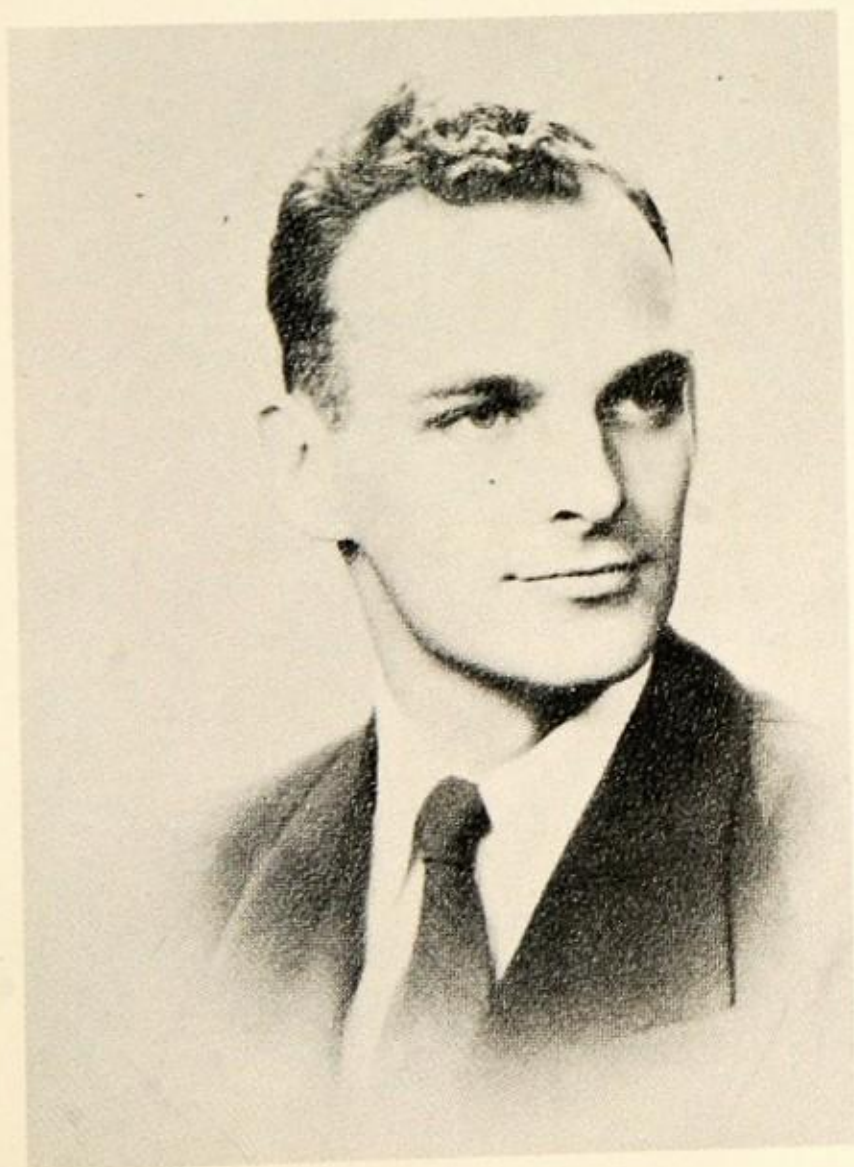

ELIZABETH SHOREY

To you Miss Shorey, we the class of 1959 dedicate our yearbook. This tribute is small in comparison to the four years of complete devotion you have given us. The warmth of your smile along with your deep understanding and lasting friendship has given us an ideal to abide by. You gave to us the foundation that we may build upon. For all this we dedicate, to you, our yearbook which expresses our many, many thanks from the bottom of our hearts.

APPRECIATION

MR. WOOLAVER

We, the class of "59", would like to extend our thanks to Mr. Woolaver for guiding us through our first year in high school. He was the first person to help mold our pattern to success.

MR. BRYAN

Mr. Bryan, to you we want to express our sincerest appreciation and thanks for your effort with us. We certainly couldn't have put on any of our shows without you.

In the years that we have known you, Mr. Bryan, you have been a dearly loved and respected friend by all. Remembering you in our Chronicle, is just one way in which we are able to show our appreciation to you.

MR. PHELAN

We, the class of "59" are proud to have known you, to have worked with you, and to have been a part of your 30 years of service to Southington High School. During those years you were a friend to all and did much for the progress of the school. We are deeply indebted for your guidance and supervision throughout the past years.

Sincerely yours,
THE CLASS OF 1959

OUR DEDICATION TO ANTHONY ZIENKA

Within these sentences lie the true feelings of
your class, the Class of "59". This last year has not
been the same without you. We have missed your
funny antics and wonderful ways.

We hope with God's guidance you will find the
path leading to happiness.

CLASS POEM

Awestruck fledgelings were we
As we looked about us with wonder,
Marvelling at the sureness and confidence
Of envied upperclassmen.

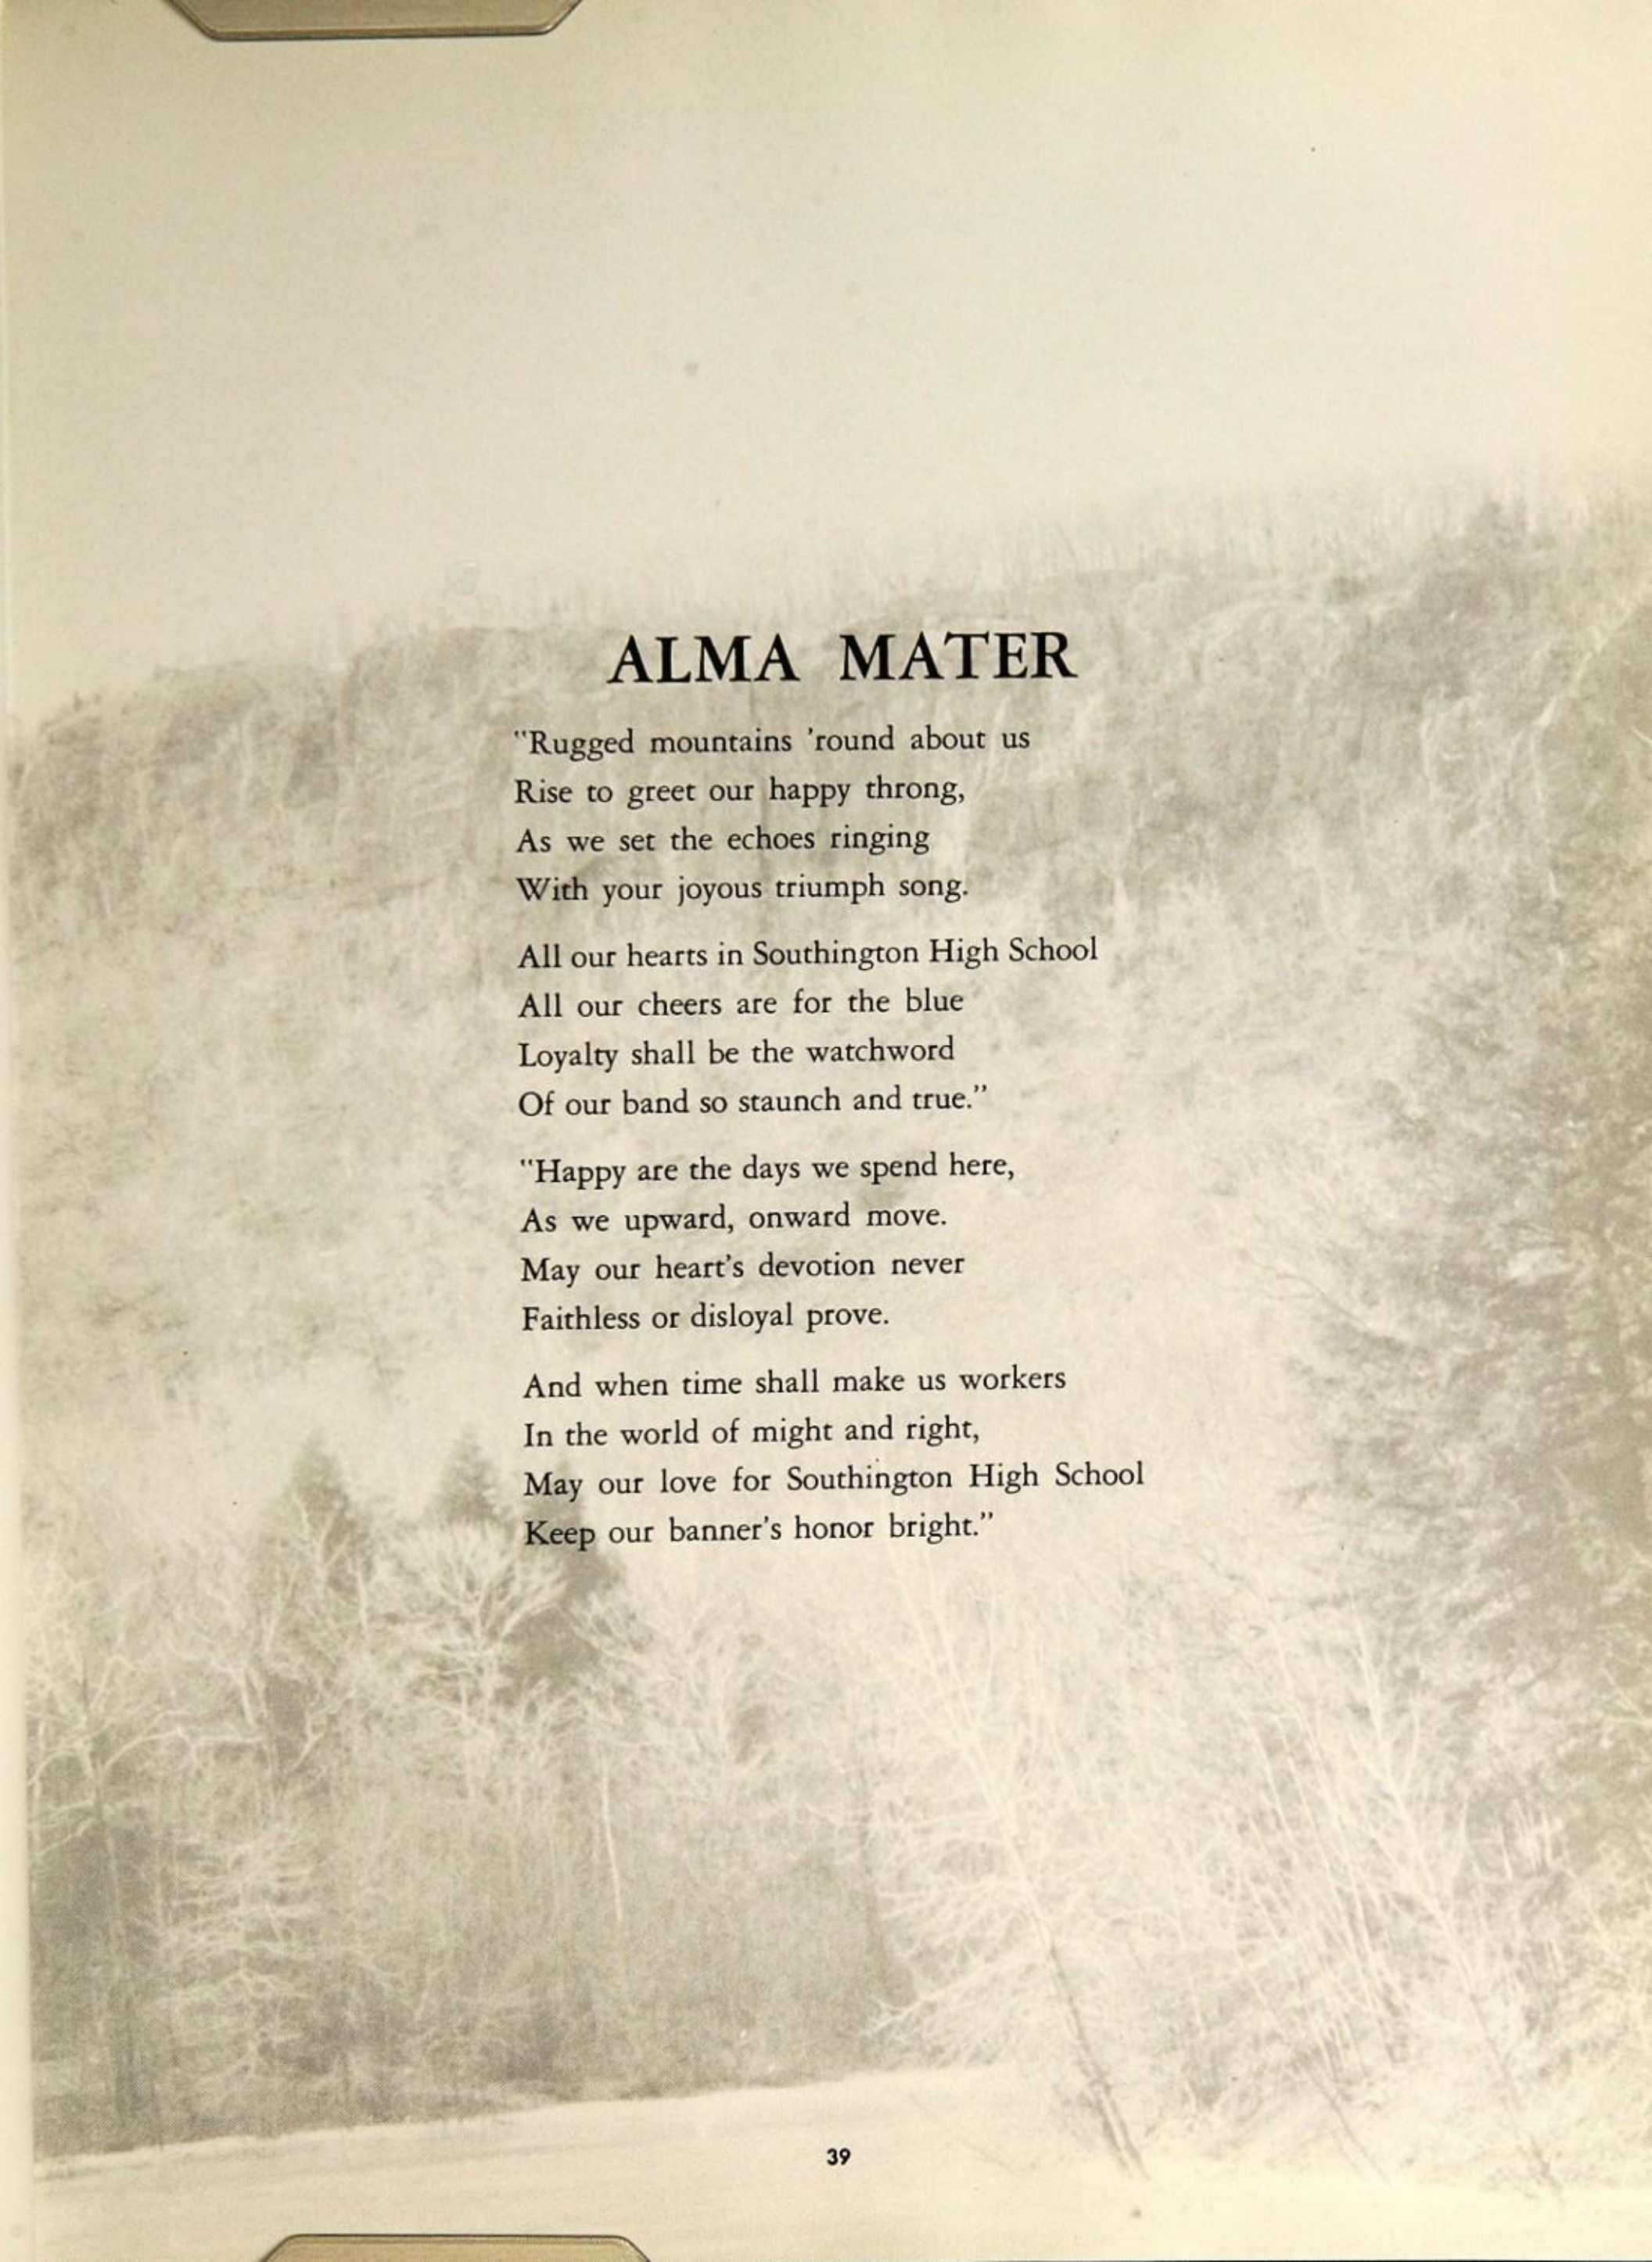

We made our mark as others before us did,
Maturing, as was expected,
And becoming the Class of '59

Through time, patience,
And the efforts of our teachers,
We tried to become individual thinkers,
And the sort of citizens of whom our
Society could be proud.

Now our time has come to emerge
From our shells as does the butterfly
In all his splendor,
Burst forth from his cocoon.

Progress, with the help of God,
Now and ever, is our pledge;
To ourselves, To our friends,
To our country.

Gloria Arre

ALMA MATER

"Rugged mountains 'round about us
Rise to greet our happy throng,
As we set the echoes ringing
With your joyous triumph song.

All our hearts in Southington High School
All our cheers are for the blue
Loyalty shall be the watchword
Of our band so staunch and true."

"Happy are the days we spend here,
As we upward, onward move.
May our heart's devotion never
Faithless or disloyal prove.

And when time shall make us workers
In the world of might and right,
May our love for Southington High School
Keep our banner's honor bright."

CLASS HISTORY

These last four years, which were a very important part of our lives were not unlike the seasons; each year brought a different season. The spring of our high school education was our freshman year. We were young and inexperienced; life was just starting for us with all its joys and problems. The sophomore year can be termed our summer. We were getting used to things and "having a ball," besides doing our work. The junior year is similar to the autumn; we were maturing; slowly becoming adults. We had fun, but we also realized the importance of work and study. The senior year is like a winter. The students no longer tend to be so light headed or childish, but instead they display some composure; most of the students are mature individuals, responsible and more independent than before. But like all winters, our senior year will give way to another spring. All of us will be entering a new life, in college, training or at work; thus beginning another series of seasons.

FRESHMAN YEAR

Spring

Our springtime would, of course, be our freshman year. It started with a bang for us as we were formally received into Southington High at the last of the truly hardy Frosh Welcome Dances. Few will forget that experience. The next big thing was our first taste of victory in the Magazine Campaign, with Sue Prevost as our top Salesman. "Can you imagine that, those little freshmen won," was heard all over the school. Donna Velodota, Gail DeLuco, Barb Stasilowicz, Ruth DePaolo, Lois Pritt, Hail Carmody, Alice Keegan and Rosemary DeFeo were the ones who formally cheered our freshman players. Our class officers, with the help of Mr. Woolaver, our class advisor, started us off right in our quest to be a class that S.H.S. would not soon forget. These officers were Eleanor Riera, President, Bert Fasulo, Vice President, Diane Mongillo, Secretary and Alice Keegan, Treasurer.

After this rousing and vigorous year, we were then ready to enter the summer of our high school years, as sophomores.

SOPHOMORE YEAR

Summer

Another year, another season. In our sophomore year, we, the students of the class of '59, decided to have a little more excitement under the leadership of Eleanor Riera as President and Bert Fasulo as Vice President. Alice Keegan had the money problems for our class Treasury, and Diane Mongillo was the Secretary. Of course, Miss Shorey was involved in all our problems and joys since she was our class advisor. We held our first dance Nov. 3rd, but the real thrill of the season was our "Spotlight Revue." Mr. Brian was the one who pulled us through that. We really had a workout for that show, and yet, many couldn't reach that high note in "Oklahoma" if their life depended on it (it did). We were all quite proud of ourselves. Later that year the "Daisy Mae Dance" was held with the "Sharptones" as the main attraction. The last big event of that season was our victory in the magazine campaign — We came in first place!!

JUNIOR YEAR

Fall

As we enter our fall or our junior year it is with no little regret that we look back at our first two years at S.H.S. How soon that tremendously long span of time the four years of high school have been cut in half. Now we are upper classmen, as upper classmen we have many proud accomplishments on our slate, but being very determined to leave an untarnished record for our class of '59, we poured our efforts into some very worth while endeavors. This year Bert Fasulo took over as President with Harry Willis as Vice President, Diane Mongillo as Secretary and Rose Ann Pepe as Treasurer. Five of our junior girls are representing the school on the cheerleading squad. They are; Bertha Brunelli, June Bell, Hail Carmody, Barbara Stasilowicz, and Donna Velodota.

Carol Ursone and Bert Fasulo with the help of various committees arranged our beautiful junior prom, "Stairway to the Stars." The band was dreamy and everyone thought the decorations were beautiful. Nancy Taylor and her escort Dave Basco were chosen as King and Queen and everyone enjoyed an unforgettable evening.

Once again we came in first in the Magazine Campaign, our treasury is really growing. We are the richest class the school has ever seen.

Shandra Mongillo and Roger Niland step into the spotlight next as co-chairmen of the Junior Minstrel. With the aid of Mr. Bryan they put together a terrific show. Our class had fun presenting the Minstrel and all who attended enjoyed the songs and also the wit of the endmen.

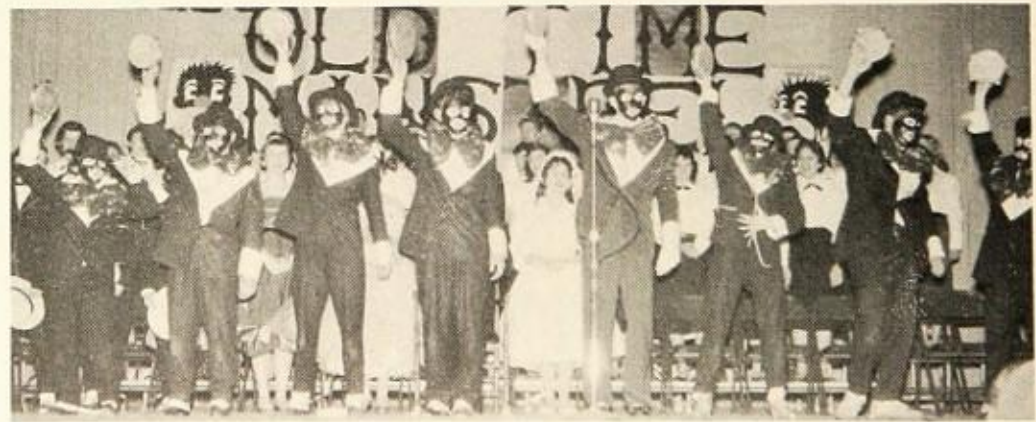

One of the most significant events of all your high school years happens during your junior year. That time that is second only to graduating itself, the first time you wear your school ring. It is a symbol of all the work and happy memories that you will have throughout your life to save in recognition of Southington High School.

By now many of our boys have really taken their places in our varsity teams. Our class is represented strongly in every sport at S.H.S.

It is almost impossible to believe that now we are ready to become the leaders of the school. As many of our classmates stand ready to take over the handling of the school. It is with many valuable memories and experiences that we leave our junior year and become seniors.

SENIOR YEAR

Winter

This is our senior year all right! What other year could possibly make us so busy? The members of the senior class are wrapped up in numerous dance, play, Chronicle and club committees not mentioning sports, homework, and other outside activities that are really keeping us so busy!

The single session and the new addition made our last year even more different from all our other years. We're all quite proud to think that our class would be the first to graduate in the new auditorium.

The first big event was, of course, the Freshman Welcome Dance. Most of the seniors got a big bang out of being "Social Dictators for a couple of days." "Drunk with power" was an often heard quote. While having this fun, we conducted ourselves as mature students, so the dance was quite successful.

Work on the Chronicle was begun the first day of school, with Rose Ann Pepe and Alan Klopfenstein and the staff putting a lot of effort into this book to make sure it's the best S.H.S. has ever put out!

Early in the year preparations for graduation had begun — we were soon measured for caps and gowns . . . (we soon found out just how fat a head we really had!!)

A great number of school clubs were led by senior members. These were the Presidents of Future Nurses, Charlene Buteau; Future Teachers, Janice Racker; Senior Secretarial Club, Teddy Breault; National Honor Society, Harry Willis; G.A.A., Marion Wright; Student Council, Sheila Degnan. Also, Bill Thomasino was editor of the Emblem and Gail DeLuco editor of the Crusader.

The Christmas Ball was the next big event in our lives as seniors. This dance will probably be remembered with many happy memories.

Along with the college entrance exams, assorted term papers and the like, the try-outs for the Senior Play were held. Kurt Johnson as Jocko will always be remembered, not only for his costume, but also for his most famous lines "aaaaahhhh!" Others in the cast were Elaine Mestey, Carolyn Pignet, Roger Niland, Phyllis Higginston, Jackie Niles, Bob Brenner, Jack Fontanella and Paul Francis. The play committees also did a tremendous job, as did the cast.

Carolyn Luty won the Betty Crocker Future Homemaker Award. The D.A.R. good citizenship award was given to Jackie Niles. We were all proud of them both.

Hearts, hearts, hearts. That is all the committees for the Valentine Dance saw for days. But it was worth it! The Valentine Dance was such fun. The music was so nice, and the decorations, so pretty. This is our last dance for a while, until our Prom.

But it's not just homework, research, dances and committees that make the senior year exciting, but it's the inner excitement. There are those constant undertones of thrilling experiences, expectant outcomes, impatient waiting for those final days of graduation.

The senior year is like winter — the last season of the year. One of maturity and composure and apparent relaxation on the outside — yet inside there is the cheery bustling, preparing for spring. Yes, preparing for spring, after graduating we'll all be starting a new year, another beginning, a new volume of life.

FOOTBALL

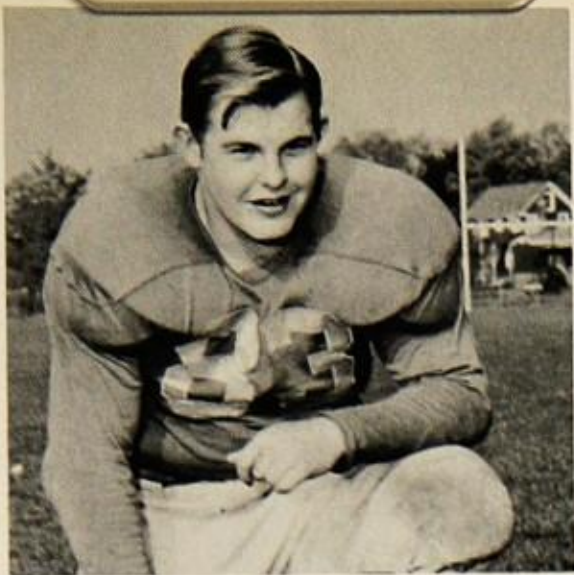

Southington's Blue Knights concluded a great year of football with seven victories and only two defeats. These two defeats, however, were class A schools and the losses were taken in stride. The Knights went on to win the next two in succession with a large margin in both games.

The entire team worked hard through long tough practices under the ever watching eye of the coaching staff. A fighting unit emerged, displaying skill and sportsmanship in all games. The season was ended with the traditional Plainville game, the Knights defeated Plainville easily.

The Chronicle is one of the most treasured possessions of each Senior. Years from now we will look back to the memories of our high school days by picking up our "59" yearbook and looking through it.

Hours of hard work and planning have gone into this book but everyone did their job well.

Early in the year contracts were signed with T. O'Toole and Sons, (printers) and Loring Studios, official photographers. Two deadlines had to be met. The first was in

January and the second in March.

Without the untiring efforts of Mr. Joyal, our yearbook would not have been such a success.

The co-editors began work the first day of school in the new Chronicle Room. Page after page was planned until finally the book was completed. Class Night the yearbooks were distributed to the Seniors and a sigh of relief was heard from the Chronicle Staff.

Knights Crush Middletown '11' Here Saturday To Test Revived Local Team

By TOM ANDREWS

MERIDEN — The Southington High School football machine rolled into high gear Monday and crushed an inexperienced Platt High School team, 36-6. George (Butch) Gray of the Southington team with magnificent touchdown runs of 22, 25 and 13 yards. In all, the hard-running fullback accounted for 12 carries for an astonishing average of 12 yards per carry.

Marek, Gray Lead Knights In Valley Win

From the opening kickoff, the Knights were in charge, as they took in their own 38-yard field goal. Eight plays hit pay dirt, provided the spark in this opening game, and completed it with a touchdown of the evening, a yard reverse behind some good linefield blocking.

Monday night's gridiron battle provided a different script for Southington fans from the disastrous opener with Crosby of Warbury. The Blue Knights took the field this time with confidence, high spirits and determination.

The backfield men ran hard, blocked hard, and blocked early. The linemen charged furiously, and opened holes commonly, never once taking off the pressure on Platt's game, but outmanned eleven.

Saturday the Knights played odrow Wilson of Middletown.

Letting the game start with a 38-yard field goal, Gray of the Knights made a fine shoe-stringed play after Marek gained eight yards. The tackle prevented a sure touchdown. A personal foul against Platt placed the ball on the Platt 28 with first down for Southington. Gray's fine running reverse brought the ball down to the three yard line, but Southington was called for clipping after the play had been completed, and the ball was placed on the Platt 18.

Gray again made 13 around his own left end. Marek tried the right end for four, and then Gura took it over the goal line. Petrocione scored the extra points on a plunge through center. Score, Southington 20, Platt 6.

Marek's kickoff was returned again by Larue to the Platt 24. Petrocione stopped the ball carrier on first play from scrimmage for no gain. Gura then threw Larue for an eight yard gain. Marek kicked to Larue, who ran back to the Platt 26, a return of 21 yards. On the first play from scrimmage, the 166-pound quarter back faked to his fullback running into the center of the line, and then skirted his own right end, race 74 yards for Platt's first only score of the game. The tackle prevented a sure touchdown for the points was short.

Platt was temporarily halted on the Southington 34, however, and Southington took over. Gura was caught behind the line for a four yard loss, but then made it up on the next play through center. Marek then ran his right flank for six yards but fumbled as he was tackled and the Meriden West
